

GLENDAR ANGUS PRESENTS

49TH PARALLEL BLACK ANGUS BULL SALE

FRIDAY, MARCH 27

2020

Mankota Stockmen's Weigh Co. | 1:00 pm

Welcome

It is indeed a pleasure to be working with the Briere family and their 49th Parallel Bull Sale. This summer was the first time in many years that I was through the cows at Briere's and I was floored with the calves at side and their beautiful dams raising them. One after another, the cows were in good shape, with excellent bags and looked like a true Angus cow. How can a person not get excited about fat sassy heifer calves making a living in the hills or the bull calves in late summer on the verge of young men trying to stake their claim.

The set of bulls that are coming to town with the Glendar prefix are impressive! Not a bunch of sire groups as the calves are directly from their walking bulls and allows for a true sign of what the herdbull battery can accomplish. Nothing complicated, just plain old breeding cattle for the love of it. You won't find a bunch of fancy terms describing what they do it's just ranching. I will leave you with one last thought that sticks with me, Glen commented to me as I was drooling over the heifer calves in the pasture, "Doesn't it all get started with the females". He's exactly right, the Angus cow has earned her spot as the queen of the pastures for good reason!

We invite you down to Mankota on Friday, March 27th to evaluate this good pen of bulls and see what they are for yourselves, it's certainly worth the drive. If you have any questions, feel welcome to contact Glen or ourselves at Castlerock Marketing, we are here to help.

See you sale day!
