BULL SALE

THURSDAY | APRIL 2 2020 | 2PM | AT THE RANCH CABRI SK

Well we finally did it! We got moved to our new ranch on July 29, 2019. That made for an extremely busy spring having cattle at both places for a few months. Packing up and moving everything we have accumulated over 9.5 years living in Simmie, kept us busy the entire month of July. Thanks to everyone who helped us get moved. A special thanks to Darby, who went above and beyond to help in any way we needed.

Fast forward to August, haying and silage needed to be done ASAP, but did not get going without its challenges. We had tractor issues right from the start and we can't thank Josh Rempel enough, who didn't hesitate to offer his tractor up for a few days while ours got fixed. Weaning came a little later than usual, with the need to start all over with corrals and pens. Now that the first winter is over, its time to move on and keep focused on building our cattle herd with the mindset of having the best cattle that we can raise.

As usual, Justine and I are focused on being as hands on with bull sale prep as we can be. We take all our own bull photos so they are as real as they come because we are no professionals. Ashley Switzer with Ashley Dawn Designs is amazing at what she does and we are always so happy with how the catalogue turns out.

Welcome

**31 RED
ANGUS BULLS
ON OFFER**

WEDNESDAY APRIL 1ST

Cattle available for viewing all day

THURSDAY APRIL 2ND

12:00PM - Complimentary lunch

2:00PM - Sale Time

Stay for hospitality after the sale!

TAYLOR'S RED ANGUS

Kevin & Justine Taylor

Box 191

Cabri, SK SON OJO

taylorredangus@gmail.com

 Taylor's Red Angus

A few things about our program. We use a digital scale to weigh our calves at birth within the first 12 hours. The calves are raised strictly on their mother's milk and grass throughout the summer. We don't creep feed at all, as we like to see how the calves can perform on their own. They are fully vaccinated in the spring as well as tattooed before heading out to pasture and vaccinated again in the fall during weaning. Our culling process starts in the spring by castrating bull calves before going to pasture. Then at weaning, we sell any bulls we feel will not make the grade as a future sire. And finally, as we prepare for the sale, we take a final hard look at our group of bulls and eliminate any that have not hit our expectations.

The bulls have been fed this year with a vertical mixer which has been a great tool to ensure even consumption of feed equally amongst the bulls for proper growth and development. Thanks to Lane Wilms for the guidance on the feed program for the bulls. Bulls are also on free choice lick tanks from Rawhide Supplements - Uli & Bev Cartman. We are proud of the bulls on offer and invite you out anytime to tour through the herd.

We would like to thank all the past buyers and repeat buyers, who have supported us throughout the last 12 years. It means a lot that you trust in our program. We also have friends and family, who come out year after year to help in many different ways. We hope you come out early sale day for lunch catered by Shef's Catering and to stay after for some hospitality.

KEVIN, JUSTINE, CARTER, KINLEY and REID

TERMS AND CONDITIONS

Terms: The terms of the sale are cash or cheque payable at par at the sale. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

Taylor's Red Angus reserves the right to collect 200 straws of semen off any bull in the sale at their expense and the buyer's convenience for in herd use only.

Bids: Every animal entering the sale ring will be sold to the highest bidder. A floor price will apply to each animal consigned.

Disbutes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matter will be final.

Purchaser Risk: Each animal becomes the risk of the purchaser as soon as sold.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

Certificate of Registry: A certificate of registration will be transferred to the buyer for each animal after settlement is made.

Breeder's Guarantee: Taylor's Red Angus have done everything possible to assure you, the buyer, that every bull in the sale will be a breeder. A certified veterinarian will have semen tested and physically evaluated every bull. In the unlikely event of a dispute, regular terms & conditions standard with the Canadian Angus Association shall apply.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer nor any owner assumes any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

Cowboy 15D was the high seller in our 2017 sale. We sold 1/2 shares to Leshures Ranch. He is a game changer in our program as we get to introduce more of 29S into our herd. With 81lbs being the average birth weight of the bulls on offer, they come out easy and have excellent growth. The females in the replacement pen will be top end.

Escalade has been doing a great job for us. He has good feet and can really move well and cover ground. We calved more Escalade heifers and I'm really impressed with their udders. Escalade calves are built just the right way after watching them calve for a few years now.

KT 12G

- Herd bull is written all over this bull. He is as conformationally correct as they come.
- Excellent shape and great feet.
- With a weaning weight of 907lbs, he is not just a rugged bull that adds pounds, but the best part about him might be the maternal side of his pedigree with 8Y and 29S. I can't say enough about this cow family as it's had huge success.
- This is the last year there will be bulls from the original Cowboy in our sale, so here is your chance for a top Cowboy bull!

- Younger Warcraft bull out of a Cowboy daughter

I would like to give a special thanks to my dad, Roy Taylor, for helping out this winter. He likes to keep on top of me with jobs that need to be done & half the jobs wouldn't get done without him. For future reference, don't start corrals 3 weeks before calving. Thanks to everyone else who helped get them done as well, my brother Eric, Josh, Terds & Chris.

- A younger bull but has kept up all along
- Escalade females are turning out just right on our place

PICTURED AS CALF SUMMER 2019

THANK YOU TO RAWHIDE SUPPLEMENTS
 ULI & BEV CARTMAN, WHO DONATED A JACKET, WON BY GREG GLEIM IN OUR 2019 SALE

DONATION HEIFER

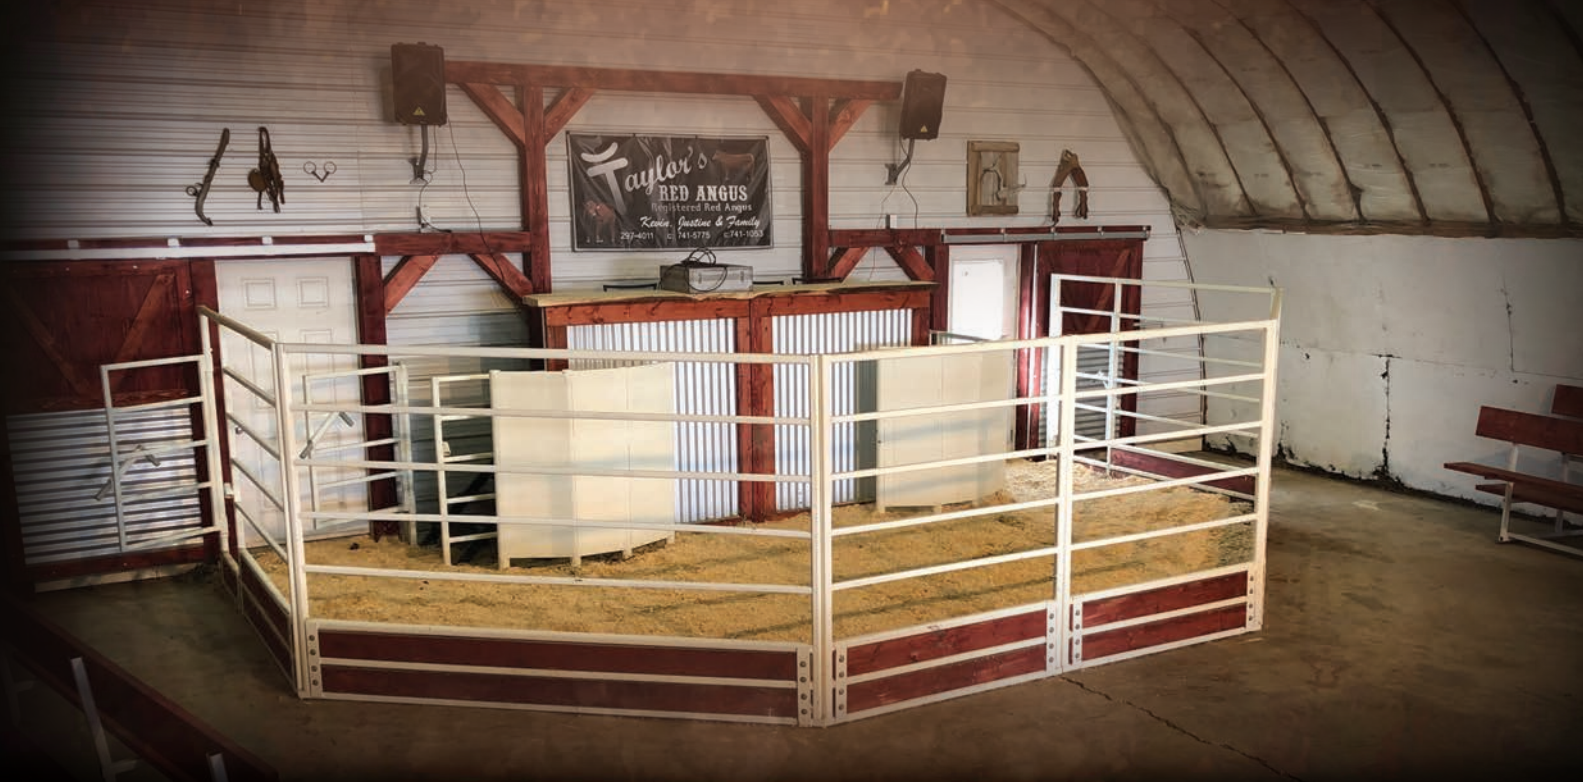

1 RED ANGUS YEARLING HEIFER

- In July 2019, we finally made our big move to our new ranch near Cabri, SK. We love our new place and couldn't be happier with the community we have joined. Our two oldest kids played their first year of hockey this winter and both loved it. We can see our future winters being spent in the Cabri rink and thought what a great time to raise some money. We have picked out a yearling heifer to auction off right before the sale with all proceeds being donated to the Cabri Rink.

PLEASE BRING YOUR CATALOGUE WITH YOU TO THE SALE

THANK YOU FOR ATTENDING OUR SALE
