# Atlasta Angus

14<sup>th</sup> Annual Bull Sale

## Welcome from Atlasta Angus

It is my pleasure to welcome you to our 14th Annual Atlasta Bull Sale and Seriously Black Select Female Sale.

The past summer has seen normal amounts of moisture and I think the good conditions of rain and pasture is reflected in the weaning weights of our Sale Bulls. They are the best we've ever had!

I consider every customer at Atlasta as a partner. I feel the responsibility to pass on top end genetics and qualities such as performance, calving ease, disposition and the best carcass numbers in both our bulls and females. These qualities are an absolute must in our cattle which adds up to gains per day off our cows that are comparable to the top producers in the Angus breed.

A very special thank you to Megan Bond, her mom Lillian and good friend Jordan for fitting our cattle for the sale.

Thank you to Tannas Ranches and Riverside Angus for adding a group of top end bred heifers to our offering.

Please feel free to call or stop by the farm with any questions prior to sale day. Join us Friday December 13 for viewing and hospitality and on Saturday for Judy's special meal of smoked turkey prior to the sale. Look forward to seeing you then!!

*Brian*

*Santa & the Sutter Grandkids  
Owen - Saige - Jack - Summer*

 14<sup>th</sup> Annual *Atlasta Angus Bull Sale*

## Welcome from OBI Livestock Ltd.

It is our pleasure to be working with the great family at Atlasta Angus this year. I welcome you to the 14th Annual Atlasta Bull Sale & Seriously Black Select Female Sale. Brian & Judy continue to be a leading seedstock producer in the Angus Industry. The sale does draw a lot of people to this event with friendship being the first thing that comes to mind. They treat their customers with top end service and it shows.

This year when we first came to the farm and analyzed the bulls, we noticed how evenly matched they were with many top end bulls appearing every minute. The bulls this year are the best set from top to bottom in every pen. Consistent muscling, clean fronted with great hair coats. Take a real close look and come see for yourself and analyze them. Top A.I. sires have been used again with a very strong herd bull battery showcasing themselves in the progeny on offer.

The bred heifers are very powerful, well footed bred heifers that come right from the top of the replacement pen; hence you choose one and Atlasta will gladly keep the other at the farm. These females come from very strong cow families with longevity kept in mind. We welcome Tannas Ranches and Riverside Angus bringing some of their replacement bred heifers as well to this event.

We have been through the offering many times and sure can assist you if you need, so please do not hesitate to call any member of OBI Livestock Ltd., any of the sales staff or Brian directly and we will take care of your needs. See you all December 14 at the farm.

*Mark Holowaychuk*  
 OBI Livestock Ltd.

### A Word From Fred . . .

In 2019 whole AAA ribeye was priced at \$32 - \$34 per kilogram. Plants were running 5-8 hours a day processing beef for the China market. In June, China suspended the exports of beef from Canada and the price remained at \$32 per kilogram. Now that the Chinese market has reopened and they want Canadian AAA beef portions, where will the price go?

Do cow/calf producers really care about the genetics in their cattle to produce AAA marbling in the carcasses at the time of harvest? When we grade carcasses on the line, all that are 51% black and higher and have a high level of AAA marbling, are identified to go to premium Angus programs. These processes and programs are monitored by the CBGA graders, at the grading stand and on the fabrication floor. It's important to realize that not all identified Angus carcasses meet the marbling standards for the premium programs. There is a huge demand for product in these premium Angus programs. Wal-Mart's Angus program is one of several that makes it difficult to find the numbers to fill the order. As producers, we have to continually improve the marbling level by paying attention to the genetics of our cows and bulls to produce marbling.

Brian is getting fantastic feedback on marbling levels from producers who have Atlasta genetics in their herds. Packing houses track the grading levels of producers' cattle. And it can be reflected in a bonus price or a discount. Feedlots pay more for feeder calves that have a proven genetic marbling ability.

Brian has done the research. Make the choice for genetics that will produce marbling in carcasses that will fit the window of these premium programs.

*Fred W. Taylor* Taylor Made Research

 PICKED UP AFTER THE SALE**

Yearling bulls may be left until Feb. 15/2020  
 but if you take them right after the sale  
 \$100 per bull will be deducted from your invoice.

### *Terms for Yearling Bulls*

50% Down Sale Day  
 50% February 15, 2020

Buyer must insure all bulls left at Atlasta  
 \$2.50 per day after February 15

*Please bring this catalog with you to the sale*

# Atlasta Angus

14<sup>th</sup> Annual Bull Sale

## *Two Bred Heifers Your Choice - or Both!*

Atlasta Angus, Tannas Ranches & Riverside Angus have selected A & B heifers to enter the ring at once. The final bidder has the option to select his choice of the two heifers or can take both at twice the money.

If the final bidder takes just one heifer then the runner up bidder has the choice of taking the other heifer at the same money.

If the other heifer is not selected, she will go back into her respective herd.

[EPDS AS OF NOVEMBER 6 2019]

Two attractive, clean fronted, front pasture prospects who are standouts. They both have some extra length and volume. Both dams have good udders and feet. Their sire, U2 Alberta Prime 208D, has produced two outstanding calf crops of both top selling bulls and top end females. Unlimited power and performance in these two favourites!

**Lot 79A** - Exposed to Remital F Crossfire 89E from April 5 to Aug. 12. Due late Jan. - early Feb.

**Lot 79B** - Exposed to Remital F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

Two top end females whose dams have both been two of our most consistent, top producing matrons at Atlasta for years. Their sire, S A V International 2020, leaves progeny with outstanding overall performance and eye appeal along with excellent feed and udders. Tons of performance on both the top and bottom pedigrees!

**Lot 80A** - Exposed to Remital F Crossfire 89E from April 5 to Aug. 12. Due late Jan.

**Lot 80B** - Exposed to Remital F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

These stylish females are both long sided with lots of depth and volume. Their outstanding dams go back generations at Atlasta. Both, year after year, wean off top end calves. The Wendy Cow Family goes back to the late 70's and has consistently over the years given us the very best females. Their sire, S A V Resource 1441, always leaves progeny with superb structure and eye appeal.

**Lot 81A** - Exposed to Atlasta Rage 50E from April 5 to June 11; then Remitall F Crossfire 89E from June 11 to Aug. 12.  
Due late Feb. - early March.

**Lot 81B** - Exposed to Atlasta Rage 50E from April 5 to June 11; then Remitall F Crossfire 89E from June 11 to Aug. 12.  
Due late Jan.

74F is sired by one of the greatest in our breed, S A V Final Answer 0035. Her dam's sire is one of the best cow producers in Angus history, the legendary Emulation EXT. 20F's dam is a picture perfect, top producing cow with an excellent udder and feet. This pair will be tough to chose from!

**Lot 82A** - Exposed to Atlasta Rage 50E from April 5 to June 11; then Remitall F Crossfire 89E from June 11 to Aug. 12.

Both of these eye appealing females have extra power and performance along with top calving ease in their pedigrees. Both dams, Erica 145B and Dottie 109A, are top producing cows with good dispositions, udders and feet. Their sire, Atlasta Forever Russ 40Y-12B, was a top selling bull to Dale Bushfield. He consistently leaves both bulls & females with great attitudes, eye appeal and top end weaning weights.

**Lot 83A** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due late Jan.

**Lot 83B** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

I can't say enough about these two solid, young breds sired by the top selling Atlasta Forever Russ 40Y-12B - or "Bushy" as I call him. Both dams, Atlasta Maggie 130B and Atlasta Dyna Lady 118B, are picture perfect, young Angus cows, backed by generations of top end maternal traits.

**Lot 84A** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

**Lot 84B** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due late Jan.

These are two of our best!! HF Consensus 235Y has over the years consistently produced my very best females like these - with eye appeal, great attitudes and great structure combined with very good udders and feet. The complete package and pedigree is bred into these girls. Combined with their outstanding dams, Atlasta Wendy 122X and Atlasta 34H Erica Russ 60X, both have a head start to a great future!

Two moderate framed, good looking heifers whose dams both consistently wean off top end progeny in weaning weights - performance combined with easy fleshing abilities. Very strong maternal background. Their sire, Remitall F International 179C, has done a heck of a job at Atlasta siring top end bulls and darn good females.

**Lot 87A** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due late Jan.

**Lot 87B** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

Another pair of excellent, young females sired by Remitall F International 179C. As I mentioned in the prior pair of heifers, he has given us some of the very top end bulls in our sales and his daughters are very eye appealing, with good feet and udders. Both heifers have Final Answer breeding in their immediate pedigree and both of their dams have generations of top producing cows at Atlasta. Very strong maternal backgrounds.

**Lot 88A** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due mid Jan.

**Lot 88B** - Exposed to Remitall F Crossfire 89E from April 5 to Aug. 12. Due late Jan. - early Feb.

 Due mid Feb. - late Feb.

Atlasta ladies in waiting

## EPD Definitions

**BW: BIRTH WEIGHT** - expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

**WW: WEANING WEIGHT** - expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires. WW is an indicator of growth from birth to weaning (205 days). The calf's growth during this period is influenced by its own ability to grow plus its mother's maternal abilities.

**YW: YEARLING WEIGHT** - expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

**MILK: MILK** - an indicator of milking ability in daughters. It represents the differences in weaning weight of calves due to the amount of milk produced by their mothers. It is expressed in pounds of calf weaned.

**TM: TOTAL MATERNAL** - is a combination of the weaning weight and milk EPDs. It is calculated as:  $1/2 \text{ WW EPD} + \text{Milk EPD} = \text{TM}$ . This EPD represents the differences in weaning weights between calves due to mothering and milking ability of their dams.

**CED: CALVING EASE DIRECT** - the average difference in ease with which a sire's calves will be born when he is bred to first calf heifers. The higher the number the more probability that his calves will be born unassisted.

**CEM: CALVING EASE MATERNAL** - is expressed as a difference in percentage of unassisted births with a higher value indicating greater probability of unassisted births in first-calf daughters. It predicts the average ease with which a sire's daughters will calve as first-calf heifers when compared to daughters of other sires.

This heifer is out of a large framed cow but paired with our more moderate Samcro herd bull who has been one of our top selling herd sire groups. She has great feet just like her sire and has a great disposition. Samcro is our most consistent calving heifer bull because of his ease of calving. I have no doubt this girl will be a standout in anyone's cow herd.

**Service:** Exposed from April 21 to June 16 to Tannas Kudos 40E.  
Due late January.

Here is a deep bodied heifer out of a Brookmore cow and our Tomboy herd sire. Our Tomboy daughters have been stand-outs in our heifer pen for the last several years. She is pasture bred to Kudos, a son of KR Status. This girl should produce easy-calving heifer bulls where you can leave the calf puller on the shelf to collect dust.

**Service:** Exposed from April 21 to June 16 to Tannas Kudos 40E.  
Due late January.

Here is a daughter out of Pure Product, an AI sire that is from another nice Brookmore cow. If you think she has a deep rib and great feet wait till you see her calf. She is AI bred to calve in early January to our Tom Boy herd sire bull. This Natural Law son has turned many heads at our farm tours and we are looking to keeping many replacements from him.

**Service:** A.I. on April 7 to South Shadow Tomboy 130B.  
Exposed from April 21 to June 11 to Tannas Natural Law.  
Safe to A.I. Due January 14.

RED DEER COUNTY, AB

TERRY: 403-348-1962

TANYA: 403-304-6772

Terry and I are very excited to be a part of the Seriously Black Female Sale held at Atlasta Angus in conjunction with their Bull Sale. The heifers on offer come from the heart of our replacement pen. All replacement heifer's at Riverside are chosen from our top producing dams, they are super eye appealing, functional females we are very proud of. The newest members of our bull battery are Rivercrest Hot Lotto 30F, and Six Mile Crossfire 460F both bulls were purchased this past spring and were the service sires for our replacement heifers this spring. We are very excited for their calves to arrive early February. All the heifers have been given Ivomec and have been vaccinated with Scour Guard.

Thank you again to Brian and Judy Sutter for the opportunity to showcase our genetics through their sale. The heifers will be available for viewing Friday at Atlasta before the sale.

Please feel free to stop buy the farm anytime before that and view the heifers before the sale, the coffee is always on.

Terry, Tanya, Taylor, Kaylee & Logan Stigings

## *Terms & Conditions*

---

**CATTLE INSPECTION:** All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**ALL CATTLE ARE SOLD:** Subject to such tests as required for export under regulations of Agriculture and Agri-Food Canada / Canadian Food Inspection Agency.

**BREEDING GUARANTEE:** All cattle are sound and sold with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**HOLDING AND SHIPMENTS:** Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

**MAIL BIDS:** May be entrusted in complete confidence to any of the Sale Staff listed or to the Sale Managers.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day..

**TERMS OF SALE:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

**ALL PERSONS** who attend the Sale do so at their own risk, and the Owners, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
