# Welcome to: The British Connection Bull Sale

## 70 Lots *consisting of* Black Angus, Polled & Horned Herefords!

*Fellow Cattlemen!*

It is with a great deal of pleasure that we welcome all cattle producers to the 3rd Annual British Connection Bull Sale!

A special welcome to McKenzie Herefords (Jon & Gill & WildBear) for becoming part of this very successful event.

Four proven, highly successful breeding programs that will be an asset to both the purebred and commercial cattle industry!

This year's offering is especially strong with both yearlings and coming 2 year old's on offer. Check the numbers!! Check the cattle!! And participate with four very reputable breeders in taking your program a step higher to ensure better returns.

See You At The Sale!

Respectfully,

*R.C. (Bob) Balog*

# Terms & Conditions

**Terms** – The terms of the sale are cash or cheque payable at par to Balog Auction Services Ltd. at Lethbridge, AB, on Sale Day. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

**Bids** – Every animal entering the ring will be sold to the highest bidder.

**Disputes** – In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**Announcements** – Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

**Certificate Of Registry** – A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement is made.

**Health** – All animals in the sale have met all necessary health requirements. All will be guaranteed eligible for US Export.

**Semen Interest** - We as breeders reserve the right to draw in herd semen use on any bulls sold in this sale at our expense and buyers convenience.

**Breeder's Guarantee** – Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association and Canadian Hereford Association with regard to health,

**EPDs** – EPDs taken as of September 17, 2018

freedom from defects and from both reproductive and specific genetic unsoundness. All Long Yearling Bulls will have been Semen Tested prior to the sale.

**Accidents** – Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer nor any owner assumes any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

**Liability** – Balog Auction is acting as agent only and assumes no responsibility for representations made by seller. Purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

**Wintering, Export, Delivery or Sale Day Pick Up**

– All bulls can go back to the consignors for wintering with delivery starting March 1st. If the purchaser takes his bulls home from Balog's on sale day there will be a \$200.00 per head discount. Assistance will be given loading these purchases out after the sale is over. If you can take delivery of your bulls within a couple weeks following the sale there will be a \$50.00 per head discount. Delivery is free in Canada up to 300 miles, at cost after that. Bulls exported to the US will be taken back to the contributors for testing and delivered to the Sweetgrass Port of Entry. Any additional expenses including duty, brokerage fees, testing, transport from the Port of Entry, etc. are the responsibility of the buyer. Purchasers are requested to furnish shipping, wintering and delivery instructions when making settlement.

**Insurance** – We recommend insuring all of the Bulls purchased. All bulls being wintered by a contributor must be insured.

Here we are heading smack dab into another winter season. No one needs reminding of the last 12 months so to be positive at time of press; Balog has had a successful video posting and very positive dollar values for calves and yearlings.

As I am writing this in the bull pasture I'm reminded of all the really important and great things in life; God, family, friends and country (well a change of both governments might be nice though!) We truly are blessed and rich beyond belief. Our family has grown this past year with the addition of Cooper's brother Cole, and as I look out and see all you great friends that are here today, I know that this business is so much more than just dollars.

Thank you to our partners in the sale and to the Balog crew. We hope to see you all sale day, but if you can't make it have a great Christmas and New Year!

We would like to welcome everyone to the 3rd Annual British Connection Bull Sale! Jody and I along with our two boys Cody and Logan would like to thank everyone that attended our sale the last couple of years and also welcome Jon, Gill and Wildbear to the sale! Take note we pictured a bit earlier this year so all pictures were taken Sept. 9th and with that we are still excited with this group and I hope you take the time to come and analyze this outstanding group of performance bulls, along with a great group of heifer bulls! We enjoy raising cattle that have great performance and lots of muscle, while maintaining a sound functional mother cow that will last for many years! All bulls will come back to our place to be wintered gently, and be delivered to you in breeding shape after they have passed their semen tests! Feel free to call or come to the ranch at any time to view the bulls along with the mother cows! We look forward to visiting with you and seeing you at the sale Dec. 1st!

 Sire of Lots 15-17

Here are 3 ET full brothers that are sure to catch everyone's eyes on sale day! The meat, muscle, length and overall balance is tough to over look! Their dam Jilt 7091 has been the most consistent cow we have ever owned! She also is the sire to Bulldozer that has another big sire group in the sale and has been very popular with our customers in years past. This cow has raised more high selling herd bulls, more champions than any cow we own! Sensation created a lot of excitement when he sold a couple years ago for \$650,000 in SAV sale! He offers lower BW, moderate frame and tremendous muscle, rib and balance! These will be some of the first sons to sell in Canada so you come be the judge, buy one, 2 or buy them all... they are that close!

Welcome to our 3rd annual British Connection Bull Sale. We are proud to be a part of this and would like to welcome John & Gill McKenzie/ Jim Wildeman as partners along with Jody & BJ, Cody, Logan and John & Brenda. We are equally proud to be a part of the cattle industry. We feel our job is to provide genetics that are developed and performance tested. Our cattle are managed much the same as most commercial places so their performance is easily attainable. All of our bulls are offered in this sale. We welcome you to be with us December 1. Appraise the offering and ask any questions you have. Hope to see you there!

First of all we would like to thank the Scheirlinck's, Newton's and Lutz's for inviting us to participate in the British Connection Bull Sale. Gill and I are very excited about the opportunity and the animals we are offering for our first sale. We have been growing our purebred herd from our foundation females and Jim's fabulous WildBear cowherd. Our AI and ET program has really helped establish our bull battery and grow the type of cowherd we desire. We strive for easy keeping, well structured, sound ranch cattle that produce in western Canada's diverse conditions. We love the Hereford breed and what it brings to the beef industry and are extremely excited to show our program to everyone. Thanks everyone for looking and feel free to call or stop in anytime.

Feather neck and thick yellow curly hair, this guy is a true Hereford. Sired by BR 163X, we've been a fan of this calf the whole way along. Nice 83LB BW and a balanced set of numbers.

This guy's mother is about as good as they come. His grandam WLD 26X is one of cornerstone females. Tremendous feet, udder quality, length and eye appeal. He's another easy going BR 163X son. You will want to keep every female he produces for you.

4E is out of our home raised "KickMark" herd sire. His mother came in dam out of a cow we purchased at Brad Dallas' dispersal sale. She is short marked, goggled eyed and has not missed for us. 4E has that curly thick hair that is so desired. 4E is a grower; he is a twin to 5E and at only 70LB BW he will be one of heaviest bulls at the sale.

5E is a nice moderate framed and well-muscled package. His pigment is on point. His mother has done a great job, there is a beautiful tight udder behind this guy.

44E is our only polled bull in the offering, but a great package. We were fortunate enough to purchase some embryos from Brost Land & Cattle and 44E is one of the first products. Sired by HF 4L Beyond 36N, this bull is well marked and muscled. Great chance at a two year old polled performance bull.
