THE AIREY FAMILY

It is our pleasure to welcome you to the HBH/Airey Cattleman's Connection Bull Sale. This year's sale offering is very exciting. We present our highest quality and most uniform set of bulls to date. We strive to find the best genetics possible in both our herd bulls and AI sires. We believe these genetics will have a positive impact on our customer base and benefit the beef industry into the future.

We are grateful and humbled by the successful year we have had. Barb is the new president of the Manitoba Angus Association. HBH Farms received the 2017 Manitoba purebred breeder of the year award. We hosted the Canadian Angus convention for the cattleman's day barbecue this summer. It was a great evening, with 200 Angus breeders from across Canada gathered for supper, socializing, and cattle tours. HBH Farms had the high selling female at the Keystone Klassic sale with a Rage bred heifer. We leased the International semen rights on one of our new herd sires HF Stature to Alta Genetics. We were back to Agribition this year with a pen of bulls and came home with the banner for Grand Champion pen of Angus bulls.

We believe strongly in performance testing; producing cattle that are efficient and perform under various conditions. Whether you are looking for calving ease for heifers or performance bulls for your cows, we are producing it all; moderate birth weights, explosive growth, muscle shape, volume and style with strong maternal traits. These are bulls that can improve both commercial and purebred programs, and there are many of these bulls whose birth weights and birth EPDs would indicate they could be used on heifers but still with the performance to do a job on cows.

Our customers success is our highest priority. It is a privilege to serve as your seed stock source. Thank you for the confidence you have placed in our program. If we can be of any assistance in selecting your bulls feel free to give us a call, or any of our sale staff.

Come and enjoy lunch with us sale day!

FROM THE DESK AT T BAR...

Welcome to the HBH/Airey Cattleman's Connection Bull Sale, where you will find the largest selection of Angus bulls in one location in Manitoba. All of us at T Bar C are excited to be involved with these progressive outfits that have become known country wide for producing high quality Angus cattle.

The strength behind any successful bull sale is the power through the cowherd. This past summer I had the opportunity to see this cowherd out on grass, with these big stout calves at side and I was simply impressed. Cows with the right frame score, well footed and udders that any breeder would want to have. This cowherd is simply powerful and impressive. Disposition was another thing that comes to mind, while being around these cattle at any time of the year.

HBH/Airey use extensive AI in their programs which you will see through the book but they are also very aggressive when it comes time to purchase walking herd bulls. The herd bull battery is very stout and well known throughout the industry.

After viewing this pen of bulls in January, I encourage you, the fellow cattlemen, to look these fellows up. Many large 365 day weight bulls with modest birth weights and many, very ideal for the heifer pen. Do some research on these cattle, you'll notice they have very ideal EPD evaluations and are backed up again, by a superior mother cow.

Please join us in Brandon to view an excellent set of bulls backed up by some of the great people in the business. Any questions what so ever regarding the offering, please don't hesitate to contact any of us at T Bar.

For HBH/Airey...see you in Brandon.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

TRUCKING:

HBH Farms / Airey Cattle Co. will deliver bulls free of charge to central locations in Canada.

SIGHT UNSEEN PURCHASE PLAN:

If you are unable to attend sale day, you may call or send bids to the consignors or any member of the sales management team. Those who are interested in this plan are urged to contact anyone of the consignors to discuss your bull requirements and determine a budget. Every effort will be made to buy you the right bull or bulls, at the right price to make you a repeat customer. If for any reason you are not satisfied with any of the cattle you purchased on order, you are under no obligation to accept them.

WINTERING POLICY:

Wintering of bulls is free until April 1, 2018. We ask purchasers to state their intentions for wintering at the time of settlement. We strongly encourage you to insure your bulls under this policy.

CATTLEMAN'S CONNECTION BULL WARRANTY:

Cattleman's Connection guarantees to sell you a bull that is structurally sound, a bull that has passed a semen test and a breeding soundness evaluation by a licensed veterinarian. Should any bull fail to be a satisfactory breeder - unable to physically service a cow or heifer - he will be replaced with a bull of equal value. Should this not be possible, an adjustment will be made to reflect the value of the bull in question, or a credit will be given towards the purchase of another bull.

IN SHORT, WE GUARANTEE TO PROVIDE YOU WITH A SOUND, BREEDING BULL.

We, however, will not provide replacement or adjustment for physical injury or mismanagement. Bearing this in mind, we stress the importance of insurance on your bull. At no time shall the seller's liability exceed the purchase price of the bull. Should you have a problem with your bull, call us right away. We will work with you to make sure you are satisfied with your Cattleman's Connection bull.
