LAURON RED ANGUS BULL & FEMALE SALE

Offering **60+ BULLS**

Lauron Crew 2018

WELCOME to our 28th Annual Bull and Female Sale. We would like to express a sincere thank you to all the support of our customers throughout the years of operation and look forward to meeting new connections and friends.

The past year has been a challenge for the agricultural sector with the brutal winter, drought and trying to secure enough feed, and for those of us calving in colder weather it is indeed a challenge. Nevertheless, it is so rewarding each spring to see the benefits of the previous breeding season when those calves draw their first breath. Each year involves change in some regards, Ric Arthurs who usually consigns has chosen to cut back on some work load on the purebred side of things and he wish him the best as he continues with his love of his cattle. We also added a new herdsman when Jared and Garilyn welcomed son Rhett just a few days after last year's sale. One constant is the quality of cattle we strive to provide for your inspection through culling for calving ease, performance, fertility, temperament, udders and feet and eye appeal. As you prose through the catalog, we have a great selection of cattle to meet the criteria you have set for your own herd, whether it be for a calving ease bull, high performance bull, a fancy open heifer or quality commercial replacements we have something for everyone.

Rhett Hunter
New Herdsman
Arrived April 10, 2018

Our calves are raised without creep on natural pasture conditions to provide as true as possible expression of genetic potential. The bulls are wintered on a ration of silage, chopped hay, rolled oats and a custom formulated bull supplement to insure longevity and future soundness. By sale day the bulls will have received Fusogard footrot vaccine and booster, passed a semen test and updated scrotal measurements will be available sale day. The replacement females will be palpated for breeding soundness.

We are having a video sale with DLMS once again at the farm located 5 miles east of the Didsbury overpass off QE II on Highway 582. All lots will be displayed outside sale day and you are welcome to view the herd anytime, we would be happy to tour and answer any questions. Check out the video link on our website www.lauronredangus.com or DLMS. All cattle may be kept free of charge until May 1, and \$3 /day thereafter. Any animals staying are strongly recommended to be insured by the purchaser sale day. Delivery will be available at our convenience. If you take your purchase home sale day or within a week of the sale, receive a \$50 discount per lot. Please give complete instructions at the settle up desk at the conclusion of the sale.

Join us for lunch sale day and stay for hospitality. If you can't attend the sale, feel free to contact any of us or the sales staff to accommodate your inquiries, we will be pleased to visit with you!

ELITE DAM The Canadian Angus Association's ELITE DAM program is an effort to identify superior cows in the Angus breed based on early puberty, breeding, regularity of calving and above average performance of offspring.

The Breeders reserve the right to collect semen, for in herd use only on any bull in the sale. Semen will be collected at the breeder's expense and will be done at the new owner's convenience.

SALE BARN

Red Jewel Tradin' Right 108D Lots 1 - 12

A sire that puts it altogether in terms of birthweight (73 lbs) performance (ww adj 773, yw adj 1428) and eye appeal, used on both heifers and cows his progeny average 77 lbs. He was the high selling lot for V8U Ranch Ltd.(Jade and Steve) in 2017.

BW: 90 lbs | 205 ADJ: 683 lbs | 365 ADJ: 1270 lbs | F. ADG: 3.00 | S.M.

Standing on super correct feet and legs, impeccable structure, deep and soft made Frisco was eye catching from day one, he was a popular choice of many when on display at the SAAC Field Day in August. Outstanding dam, black hided grand dam and numbers to impress, he was a natural choice for a member of our pen of 3 at Medicine Hat and Camrose. **HERD SIRE PROSPECT**

The Tradin Right bull did a great job on his first calf crop leaving us a set of calves that are born easy, have some grow, are structurally sound, 83F is no exception. 83F has a great hoof structure and is built right. Dam (41B) is a big middle Scenic Route daughter from the Rosette cow family. With Scenic Route high up in the pedigree, you might be able to get away using this guy on heifers.

Like his name implies, Foolproof should live up to his name in the heifer pen, there is a double whammy of calving ease in the pedigree with Buster and Scenic Route yet he doesn't give up any performance as he was above average on gain. Dam is moderate with a lovely udder.

Feature 191F definitely lives up to his name. Dam is a wonderful smaller framed Scenic Route daughter with an exceptional udder, out does herself every year. A late March bull that is truly filling out to be stout made, athletic and beefy, one of the heaviest at weaning time and yearling weigh off. The performance reputation of Bobby 1188B and maternal prowess of the Scenic Route daughters is an exciting combination.

We seriously debated keeping this guy to use on our own cow herd. He has been a standout since he was at side of his recip cow on pasture. A great dark color, great foot shape and tons of eye appeal and balanced numbers. Grand Dam (131X) is a CAA ELITE designated cow and is always a favourite of visitors. A full sister from the same flush is a standout in the replacement heifer pen.

Retaining in herd semen interest.

BW: 96 lbs | 205 ADJ: 695 lbs | 365 ADJ: 1204 lbs | F. ADG: 4.15 | S.M.

Red Lauron Breakin Bad 93B Lots 61-64

A Black red gene carrier we utilized to infuse new genetics into the herd, brings outcross freshness, good females, desirable muscle pattern.

SALE TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheques payable in Canadian funds upon the conclusion of the sale. The right of property shall not pass until after settlement is made, no animal will be released from the premises until settlement is made. Each animal becomes the risk of the purchaser as soon as sold. Each animal will be sold to the highest bidder. In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

CERTIFICATE OF REGISTRATION: A certificate of registration will be transferred when payment is made in full.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed material.

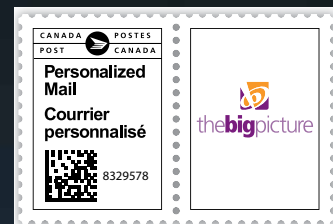

BREEDERS GUARENTEE: All animals are sold as guaranteed breeders as outlined by the CAA bylaws. No guarantee is given that a bulls' semen will freeze. All bulls will have passed a semen test prior to the sale. A bull may be replaced with one of equal value, guarantee does not apply to bulls injured, sick or uncared for. Under no circumstances shall the seller be liable for more than the purchase price of the bull.

INSURANCE: Insurance will available sale day.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale manager, auctioneer or owners assume responsibility in this matter and liability, legal or otherwise in the event of accident or loss of property. All persons attend the sale at their own risk.
