Welcome to Peak Dot Ranch...

Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Koen, Gen and Brixlyn

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

It is our pleasure to welcome you to the Annual Peak Dot Ranch Fall Bull Sale. Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman.

The coming two year old bulls in this sale are developed and managed exclusively for this event. They are never pushed and are grown out to be fertile and problem free. Several of the bulls in this sale are low moderate birth weight bulls and come recommended for heifers. The bulls are penned and sorted by sire group with many groups of half brothers and three-quarter brothers available for a more uniform and genetically consistent calf crop. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we want to produce.

Everyone is welcome to come view the bulls anytime prior to the sale at the ranch. We hope to see you all at the sale and if any one can not make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early to view the cattle. Be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

GLOSSARY OF SALE INFORMATION

EPD ABBREVIATIONS:

EPDs are a powerful tool that is available for making genetic progress. EPDs incorporate the performance of the individual along with the performance of all its relatives.

CE: Calving ease - the higher number predicts more calving ease.

BW: Birth. A lower EPD predicts more calving ease.

WW: Weaning. Higher weaning EPDs predict higher weaning weights.

YW: Yearling. Higher yearling EPDs indicate greater expected yearling weights.

Milk: Milk EPD should be used to predict the milking ability of the daughters of the bull in question. Higher milk EPDs project more milk.

REA: Rib Eye Area in sq.in. Describes marbling potential of calves expressed as difference in grade score.

MARB: Marbling. Describes marbling potential of calves expressed as difference in grade score.

CW: Carcass weight in lbs. Predicts differences in hot carcass weight of progeny.

\$C: Combined value (\$C), expressed in dollars per head, includes Growth, Maternal, Carcass, all 15 traits. It is expressed in terms of dollars and it reflects the expected difference in profits between bulls progeny.

For example: Bull A \$C = \$250

Bull B \$C = \$150

On average, progeny from bull A will be \$100 more profitable in a Canadian commercial operation than the progeny from Bull B.

Current weights and scrotal measurements will be available sale day.

Peak Dot Reference Sire

Excellent feet with depth of Heal...

Ellingson Roughrider is a bull we have been very impressed with from the first time we seen him. He sold for \$70,000. He carries much body depth and offers as much base width and thickness as any sire we have ever used. He stands on four big, solid, stout legs and has excellent feet with lots of heal. He sired an outstanding pen of 95 big, thick, husky performance bulls in the spring 2020 bull sale that were very well received averaging just over \$8000 and then did it again once more in the spring of 2021.. His daughters are regarded as some of the best females Ellingsons and Peak Dot have ever calved. Roughriders dam and grandam are both embryo donors and two of the greatest contributors to the Ellingson cowherd today.

Ellingson Profound

Peak Dot Reference Sire

The \$40,000 top selling bull at Ellingson Angus 2019 Sale

Ellingson Profound is the crowd favorite and top selling bull from the 2019 Ellingson Angus Sale. He is regarded as one of the greatest bulls to come out of the Ellingson program. His first calf crop are stand outs in terms of muscle shape, vast body depth, volume, outstanding thickness and superior foot quality. His dam is a second generation donor that records a production birth ratio of 2/98, a nursing ratio of 2/106, a yearling ratio of 2/106, an IMF ratio of 3/103, and a ribeye ratio of 3/102 and has settled to first service A.I. every year of her production career. Profound daughters are very attractive fronted, naturally thick, soft made and easy fleshing.

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 90-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his calves have excellent feet and legs and ideal body type. No Doubt sons are proven and have been very well received throughout the industry. No Doubt sons continue to top sales across North America.

The dam of Earnhardt

Earnhardt is a stout and powerful son of SAV Harvestor 0338 out of the uniquely bred and perfectly built SAV Miss Bobbie 2407. He was the top weaning bull of his entire calf crop at Janssen Angus. He offers a moderate birth weight with a 205 day weight of 977 pounds along with a 365-day weight that broke the 1,400 pound yearling weight barrier. A large number of Earnhardt and Top Soil daughters have been retained by Peak Dot for replacements.

KR CASH FLOW *Peak Dot Reference Sire*

Cash Flow was the lead bull from the 2014 NWSS Reserve Champion pen. He went on to become the high selling Barstow Cash son in the spring of 2014. We purchased this bull along with Semex for his extended length of body, wide pin setting and exceptional overall thickness. His ET dam is backed by a Pathfinder grandam. His progeny are thick made cattle with muscle expression and volume throughout.
