Peak.Dot.No.Doubt 17F-Lot 1

Welcome to Peak Dot Ranch...

Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2019 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Thank you for making our program your program. Our emphasis has always been committed to producing bulls that keep the commercial cowman on the top side of the market. We are proud to be a family owned cattle ranch operating from the same location for 5 generations.

Our cow herd is made up of seven main cow families and you can trace their lineage back 60 years to the original foundation set of cows our grandfather purchased. The strength of the cowherd is second to none and has endured six decades of selection pressure, rigid culling and uncompromising breeding commitment. The greatest compliment we have received from visiting cattlemen to the ranch is the consistency they see in our cow herd.

The bulls are penned and sorted by sire group with many groups of half, three-quarter and full brothers. There are several herd bull candidates in each group and we welcome your visit anytime prior to the sale. They sell in volume so they will be affordable in everyone's price range. All bulls are semen tested and checked for soundness and ready to go to work. Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we strive to accomplish.

Again this year we're offering the best cull bull incentive program you can find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old, broken down, worn out bulls. See the next page for details.

The 2019 female offering will include 20 hand picked heifers representing the freshest genetics from our program. These heifers are daughters from our leading donor and cow families. We have also included some rare and valuable embryos by No Doubt from some of our most cherished donor females.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fifth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

Box 105, Wood Mountain, SK S0H 4L0

Videos available at www.peakdotranch.com and DV Auction

Cull Bull Incentive Program

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. Why take a chance on bunch of open cows this fall when you can replace them with fresh strong new bulls. All you have to do is email us prior to the bull sale or bring a copy of your bill of sale from the auction market after selling your cull bulls and you will receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

No Doubt Bulls...

Hoover No Doubt *Peak Dot Reference Sire*

The top scanning ribeye bull from Hoovers ...

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 90-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his calves have excellent feet and legs and ideal body type. His dam became one of the top valued cows in the breed in the fall of 2018.

Hoover No Doubt has become one of the most popular sought after sires in the Angus breed with a huge demand for semen. No Doubt semen sold at auction in early December for \$3000 a straw.

Excitement around No Doubt continues to build with Spruce Mountain Ranch from Colorado recently purchasing possession from Peak Dot this past fall.

The maternal brother to For Sure

Peak Dot For Sure is the \$80,000 lot 1 bull from the 2017 spring sale selling to Alta genetics. His first calf crop are stand outs in terms of outstanding thickness, muscle shape, stoutness and power. His dam is one of the most amazing females in the breed in terms of body shape, volume and sheer elegance. She is also the dam of featured herdsire Peak Dot Herdbook 151C.

Visitors Nova Piratinings Farms Brazil

Nova Piratinings Farms Brazil purchased 15,000 semen straws on Vision Unanimous 1418 and 3000 semen straws of Bush Easy Decision 98

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous sons have been well received topping several sales around the country. They are a true testament to him displaying impressive three-dimensional pounds, mass and body on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will continue be a major contributor to the future of the beef cattle industry.

 The dam of Attractive

One of the top selling bulls we purchased along with Semex from the 2016 Schiefelbein sale. Attractive is a calving-ease bull that will add growth and a good set of feet and legs. His dam is one of the best cows we have found in all our travels. She has produced over \$200,000 and is one of the main anchors in the Schiefelbein embryo program. Attractive has a great disposition and so do his sons.

Hi Clay Here's a Pic of Peak Dot Easy Money out with the Girls.

This Year we're breeding What's Left of our Simmental Cows in our Commercial herd to him & Peak Dot Perfection 102D.

We're always Trying to improve on: Udder Quality, Foot structure, Calving ease, Growth & Feed Efficiency & the First set of Calves out of Him came with Ease and the growth & Feed Conversion's are Impressive.

Since we Started Working with Your Angus Genetics we've basically eliminated our Calving Issues. We Calve in June on Pasture Where it can get Extremely Hot and these Calves are More Vigorous at Birth and the Surprising thing is we are now weaning Heavier Straight Angus Calves than our Exotics or Crossbreds and the average growth & feed conversions in the Feedlot are better on these Angus calves compared to what our Exotics or Crossbreds are doing.

We See a lot of Angus genetics Being Used in the industry today that would not reach our Goals at Northway Cattle.

if Something's worth doing it's worth doing right, Keep up the Good Work Guys.

Albert Stahl, Northway Cattle Co,

Peak Dot Innovation 62D *Peak Dot Reference Sire*

LADY OF PEAK DOT 476S

The maternal grandam of lot 117

We are extremely happy with the job Peak Dot Pioneer 124B has done for us. He spent his first 2 breeding seasons with the heifers and now covers a group of cows. Both sons and daughters are very easy fleshing, eye appealing, lots of grow and sound. Both bull and heifer calves have a weaning ratio of 102. You would love a whole herd of his daughters.

Tanya Beisham, Poplar Meadows Angus

 The dam of Earnhardt

Earnhardt is a stout and powerful son of SAV Harvester 0338 out of the uniquely bred and perfectly built SAV Miss Bobbie 2407. He was the top weaning bull of his entire calf crop at Janssen Angus. He offers a moderate birth weight with a 205 day weight of 977 pounds along with a 365-day weight that broke the 1,400 pound yearling weight barrier. A large number of Earnhardt and Top Soil daughters have been retained by Peak Dot for replacements.

LADY OF PEAK DOT 782L

This foundation embryo donor is the maternal grandam of lot 135. She currently has 68 progeny.

Topsoil Bulls ...

PEAK DOT TOPSOIL 523F - LOT 138

SAV TOP SOIL 4359

SAV Topsoil 4354 was a feature from the 2015 SAV sale. We purchased this bull with Alta Genetics. He combines all the power, sheer thickness and performance from SAV Harvester combined with the calving-ease, phenotype, and maternal strength of SAV Bismarck. His Bismarck dam is the second lowest birth EPD cow in the entire SAV herd. She is blessed with striking femininity, superb udder quality and abundant milk. Topsoil Pathfinder grandam is a full sister to SAV 004 Predominant 4438.

PEAK DOT TOPSOIL 563F - LOT 139

PEAK DOT FOOTHILLS 190E

This feature bull from the 2018 Spring bull sale is a maternal brother to lot 139 Purchased by Graham Scott.

 2014 National Western Stock Show Reserve Champion Pen of bulls

Cash Flow was the lead bull from the 2014 NWSS Reserve Champion pen. He went on to become the high selling Barstow Cash son in the spring of 2014. We purchased this bull along with Semex for his extended length of body, wide pin setting and exceptional overall thickness. His ET dam is backed by a Pathfinder grandam. His first progeny are thick made cattle with muscle expression and volume throughout.

Peak Dot Cash Flow 424D *Peak Dot Reference Sire*

PEAK DOT CASHFLOW 424D

The \$40,000 featured Cashflow son from the 2017 Spring bull sale to Hillcrest Enterprises. Admired for his softness, balance, structural integrity and strong maternal heritage. We expect his daughters to be front pasture dams for both phenotype and production.

The Peak Dot Cow Herd...

For decades Peak Dot has focused on breeding a cow herd that is stacked with generations of females that are fertile, functional, productive and problem free. We have spent years of selecting for quality udders, feet and docility. Buy bulls with confidence knowing they come from a very strong, consistent genetic female base.

Easy Decision a big time performance bull that is rapidly becoming one of the most popular new bulls in the Angus breed. His first two calf crops have exceeded all expectations and have proven him as a low birth weight sire that consistently breeds added pounds at weaning and structural soundness. Easy Decision is backed by four consecutive generations of Pathfinder dams. Easy Decision was the lead bull of the 2014 National Western Stock Show Champion pen of 3 bulls. Easy Decision's first calf crop was the feature attraction of the 2016 Peak Dot bull sale with the top 5 sons averaging \$35,500.

FOR SALE NOW AT THE RANCH ...

Peak Dot Ranch has 17 head of young registered Angus bred cows for sale. This is a seldom offered chance to acquire some of the top females from our program. They come from the most popular cow families at Peak Dot. Daughters of Hoover No Doubt, Bush Easy Decision, Vision Unanimous 1418, SAV Renown, KR Cashflow and 4M Element 405. This is a perfect set of bred females for anyone wanting to start a new Angus herd, or strengthen an existing one. They are square made and deep bodied. Bred to new calving-ease herdsires RBM Next Step and Ellingson Propostion. Due to calve from May 20th to July 15th.

Contact Peak Dot Ranch for more information on this opportunity.

Next Step C531 is the \$42,000 top selling bull from the 2017 RBM Livestock bull sale in Watertown SD to Peak Dot Ranch. He blends proven calving-ease with flawless phenotype, thickness and muscle shape. His first calfcrop have proven him as a low birth weight sire that can be used with confidence on virgin heifers.

 RBM MISS PRIDE Y209

We could not decide on which Next Step son we liked better in the RBM 2017 bull sale. So we purchased Next Step D143 along with Next Step C531. They are so much alike that even still today we do not favor one over the other. Next Step D143 combines the proven calving-ease of Next Step and Final Answer. He represents everything we strive to produce. He is a thick, muscular stout-rumped beef bull with massive volume and eye appeal. Anyone who has a large group of heifers to breed this year should take a serious look at the Next Step Bull pen. They offer true calving-ease without sacrificing thickness, muscle, capacity and performance.

>Recommended for heifers or cows
 >Herd bull! He combines natural thickness, muscle and volume with superior structure and true Angus breed character. Ranks in the top 1% for weaning and yearling weight EPD.
 >Weaning ratio of 107.
 >Front pasture No Doubt Dam. Feminine, angular with a soft look.

No Doubt Embryos ...

Selling...10 embryos by No Doubt

PEAK DOT DIVISION 86A embryos - LOT 202

HOOVER NO DOUBT

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 90-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his calves have excellent feet and legs and ideal body type.

His dam became one of the top valued cows in the breed in the fall of 2018.

Hoover No Doubt has become one of the most popular sought after sires in the Angus breed with a huge demand for semen. No Doubt semen sold at auction in early December for \$3000 a staw.

A half interest in the dam of No Doubt just recently sold for \$150,000 making her one of the top valued females to sell in 2018.

Excitement around No Doubt continues to build with Spruce Mountain Ranch, Colorado recently purchasing possession from Peak Dot this past fall.

Peak Dot Division 86A is a very attractive deep made bodied cow with exceptional foot and udder quality. She consistently has produced stout made, attractive fronted progeny with every sire we have mated her with. The mating of Division 86A and No Doubt will no doubtly be the most exciting to date combining phenotype and pedigree and predictability.

Selling...10 embryos by No Doubt

This proven donors embryos are being shared as an attraction for this event. She has an outstanding production record and is powerful in every dimension, phenotypically she is excellent, super fronted and long and deep with a well attached udder. Maternally she is as good as it gets going back to Lady of Peak Dot 782L the most influential cow in Peak Dot history with 68 progeny.

The Lady cow family is the largest cow family at Peak Dot and we will continue to build it with Lady of Peak Dot 402U and several of her daughters. She is one of the lowest birth EPD cows in the herd with a birth EPD of -0.1. She has 14 progeny including the feature lot 81 bull in this sale.
